Honorable Richard H. Ichord, Chairman  
Committee on Internal Security  
House of Representatives  
Washington, D. C. 20515

Dear Mr. Chairman:

Mr. Donald G. Sanders, of your Committee staff, has very thoughtfully brought to our attention some points contained in the galley proofs of the hearings of your Committee on H. R. 16742. Upon examination of this material it appears that some of it did indeed pose a problem for the Agency, and Mr. Sanders was especially understanding and helpful in resolving this problem in a manner completely satisfactory from our standpoint. This is but the most recent example of the cooperation and consideration that your staff has always shown the Agency and we want you and Mr. Sanders both to know of our genuine appreciation.

Sincerely,

John M. Maury  
Legislative Counsel
